

LCPS Summer Tasks, Early Years

There are many ways to learn and things to experience away from school. With the summer holidays here, how many of these tasks can you complete? Keep records of your efforts to share with your new teacher and classmates in September. There will be prizes for excellent effort and hard work. Parents, please supervise these activities and share the learning with your child.

Perform a nursery rhyme with song words and actions.	Make a repeating pattern of natural items – sticks, stones, leaves.	How many times can you throw and catch a ball without dropping it?	Practice riding a bike.	Bake and decorate holiday cookies.
Make a sandwich with your parents' help.	Put 6 items on a tray and cover them. Can you remember what is where?	Go on a shape hunt outside. How many circles, squares and rectangles can you see?	Visit the local library and read a book aloud.	Blow the biggest bubble you can.
Play a boardgame with your family.	Fly a kite on a windy day.	Can you balance on one leg for 10? Try with the other leg.	Take photos from a special day and create a photo album.	Use dried foods in your kitchen to create a collage.
How quickly can you get dressed? Keep a record each day.	Find 5 items in the shop beginning with 'S'.	Write a postcard to a family member and post it.	Go on a mini-beast hunt in your garden / local park / woods.	Matchbox Challenge: how many different items can you fit into a matchbox.
