Dear Vicky and all at Little Chalfont Primary School,

I am writing to thank you on behalf of all of us here at Restore Hope for fundraising on our behalf, and for your generous donation of £592.62. It was lovely to meet some of you when you visited us and presented your cheque to our team.

Every donation we receive helps us to support local families who are facing really difficult circumstances, whether that's through the provision of crisis food support, courses to train and equip for new life and employability skills, or our numerous other initiatives to provide connection and support in the community.

Thank you for your generosity in supporting us and enabling us to transform the lives of those most in need.

Yours sincerely,
