

# LCPS Parent Forum

## Purpose

- to engage the parent community with the decision-making process within the school
- to take feedback about current school developments / strategic direction
- to ensure our provision caters for all members of our community
  
- a chance to participate and be heard
- access to leadership processes
- an opportunity to raise ideas / suggestions for improvement

## Values

- Ready – consider / read about meeting content prior to attending
- Respectful – of different opinions / approaches taken by others
- Resilient – understand that not all input will be implemented
- Courage – to challenge and ask questions
- Empathy – understand we are working for the needs of all community members
- Integrity – ensure we are purposeful and objective in our approach

## Conduct

- It is an open forum where parents speak openly and honestly
- It will be solution focused and forward thinking
- It respects the work ethic and commitment of the staff team
- The forum is a representation of the parent community and, therefore, all discussions will be shared via the website and parents can discuss content outside of meetings
